LETTER OF RECOMMENDATION

TO WHOM IT MAY CONCERN:

Ponca Plaza Shopping Center has recently completed a pigeon control program under the direction of Mr. Vence Meneely of Meneely Wildlife Control. This program has been a complete success is the only one of the many programs that we have tried which has provided the results that we were seeking.

Mr. Meneely has been most professional throughout the program from the start up through program completion. He identified the problem, developed a workable approach and completed the program totally as promised and priced.

I highly recommend Mr. Vence Meneely for any wildlife control project and should you desire more information regarding our project please contact me at 580-765-0007.

Sincerely,

**Jim Cochran
